TRANSMITTAL LETTER
REGARDING PRIOR ART

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The above application is patented and counsel has now been informed that in the corresponding European application the following European application was cited, namely: EP0848955A1. It is believed by the New Zealand attorney that the reference is no more pertinent than the references already applied by the Examiner in the above-captioned patent. In an abundance of caution a copy of the European Search Report mailed November 22, 2005 and the above-mentioned European reference are enclosed.

It is understood that this prior art will not be considered but it is placed in the file in an abundance of caution.

Respectfully submitted,

JACOBSON HOLMAN PLLC
